

LA-7020 12" HEAVY DUTY LAMINATOR

Heavy-duty professional photo laminator is perfect for any office, business, or commercial use. The advanced solid-state, hot rollers design, heats and compresses the lamination simultaneously, thereby preventing almost all surface bubbles from forming. 5 Year Limited Warranty.

Features:

- Adjustable temperature dial for fine-tuning
- External thermometer for exact heating temperature
- Fan cooled, with aluminum heat sink for additional cooling
- Separate illuminated "power" and "run" switched provide stand-by capabilities
- Also Available in 4" and 10" versions
